### Professional Summary

Motivated 300-level Computer Science student at the National Open University of Nigeria with a strong foundation in front-end and mobile application development. Successfully completed a one-month Software Development Training Program at Bincom ICT, where I gained hands-on experience developing responsive web and mobile applications using HTML, CSS, JavaScript, Bootstrap, Apache Cordova, and Firebase. Passionate about building practical software solutions and eager to contribute as a Software Development Intern.

### Education

Bachelor of Science (B.Sc.) in Computer Science

National Open University of Nigeria (NOUN)
